1. An Examiner's Amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 C.F.R. 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the Issue Fee.
2. The Amendment filed September 16, 2005 in response to the Office Action of June 21, 2005 is acknowledged and has been entered. Previously pending claims 1, 4, 5, 11-13, 34-39, 40 were amended, claims 6-10, 41-42 were canceled. Claims 1, 3-5, 11-15, 34-40, 43-44, 53-67 are currently under prosecution.
3. The application has been amended as follows:

In the claims:

Claim 67 was amended as follows: after "single chain antibody that binds to" the phrase "a c-ErbB2 receptor, wherein the binding of said antibody to said receptor is reduced in the presence of ~~b~~ F5(SEQ ID NO:1) or C1(SEQ ID NO:2)" was deleted and the phrase --the c-erbB2 receptor, wherein the binding of said antibody to the c-erbB2 receptor is competitively inhibited by F5(SEQ ID NO:1) or C1(SEQ ID NO:2) --

Claims 11-13 were canceled.

4. It is noted that Applicant's response filed September 16, 2005 placed the application in condition for allowance based on the record at that time. The

Examiners Amendment is made in lieu of reopening prosecution in order to remedy informalities which were brought to Applicant's attention for the first time in the telephone Interview of February 23, 2005. Accordingly, no further extension of time is required to make the Examiner's Amendment which places the Application fully in condition for allowance.

5. It is further noted that support for the limitation drawn to competitive inhibition of binding of F5(SEQ ID NO:1) or C1(SEQ ID NO:2) can be found in the specification as originally filed at page 35, (lines 1-14).

6. Authorization for this Examiner's Amendment was given in a telephone interview with Angela Horne on February 23, 2006.

7. Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
